## Daikoku Distribution Center

The Daikoku Distribution Center has an ideal location near the entrance to the Shuto Expressway and Route 357 that connects the Daikoku and Honmoku Piers. The Daikoku Distribution Center offers not only refrigerated and frozen storage/shipping, but is also fully outfitted with 10 small storage rooms capable of temperature control accurate to 0.5°C. Inside the center, we provide safe and high quality services including thawing facilities, sample extraction rooms, and an analysis center.
